

ReCAAP ISC STATEMENT ON INCIDENT ALERT (03/2017) ON MGT 1

“ReCAAP Information Sharing Centre today issued an [Incident Alert \(03/2017\)](#) regarding a piracy incident that occurred on a Thai-flagged Product Tanker MGT 1 when it was transiting through east of Kuala Dungun, Kuala Terengganu, West Malaysia.

The rapid apprehension of the perpetrators and successful rescue of the crew and vessel within hours from reporting is a testament to the effectiveness of timely reporting by the ship and effective enforcement by the relevant authorities.”
