## ADVISORY TO SHIPS

Re-route where possible, otherwise:

- Exercise enhanced vigilance
- Conduct risk assessment
- Adopt piracy counter measures to mitigate risk
- Make timely report
- Maintain comms

# CONCLUSION

- Bulk of the overall increase is due to increase in attempted incidents. Number of actual incidents had decreased by 12% compared to Jan – Mar 2016
- Increase in number of attempted incidents is an indication of successful efforts by crew to deter boarding by perpetrators
- Of concern was the abduction of crew in Sulu-Celebes Sea involving the discharge of firearms at ships and crew which resulted in injuries and even death of crew
- The ReCAAP ISC reiterates collective and shared responsibility among authorities and shipping industry
