<td>While sailing, a small ship Hong Lrut with two perpetrators onboard approached the catamaran at high speed (approximately 15 knots) within 200 nm and turned parallel to Swiss Prestige. The catamaran sounded &quot;mayday&quot; via VHF Channel 16 and increased her speed to 8 knots. The suspected ship moved away from the catamaran but continued on parallel course. A cruise liner Diamond Princess responded to the mayday call and moved to the location. Swiss Prestige communicated with Diamond Princess that Falmouth MRCC had been informed. The suspected ship began to move away and depart from the area shortly. Swiss Prestige cancelled its mayday call and moved towards Johor, Malaysia.</td>
