Piracy and Armed Robbery Against Ships in Asia

OVERVIEW

During 10-16 Dec 19, the ReCAAP ISC did not receive incident report of piracy or armed robbery against ship in Asia.

Incident Outside Asia

The ReCAAP Focal Point (Singapore) reported to the ReCAAP ISC an attempted incident that occurred to a Singapore-registered LPG tanker on 13 Dec 19 at the Port of Algiers, Algeria. Three perpetrators attempted to board the ship while at berth but aborted the attempt when the crew raised the alarm.

SITUATION OF ABDUCTION OF CREW IN THE SULU-CELEBES SEAS AND WATERS OFF EASTERN SABAH

As the risk of the abduction of crew in the Sulu-Celebes Seas and waters off Eastern Sabah is high, ReCAAP ISC reiterates its advisory issued via ReCAAP ISC Incident Alert dated 21 Nov 16 to all ships to reroute from the area, where possible. Otherwise, ship masters and crew are strongly urged to exercise extra vigilance while transiting the area, and report immediately to the Operation Centres of Philippines and Eastern Sabah Security Command (ESSCOM) of Malaysia. The contact details of the Operation Centres of the Philippines and ESSCOM of Malaysia (updated by ReCAAP ISC on 3 Jan 19) are as follows (see following page):
In the event that the ship master is not able to establish contact with the Operation Centres of the Philippines as listed in the ReCAAP ISC Advisory, he can contact the **Philippine Coast Guard Command Centre** at the following contact details:

Tel: +63-2-5273877 (direct)  
+63-2-527-8481 to 89 (ext: 6136/37)  
+63-917-724-3682 (mobile)  
+63-929-825-3207 (mobile)

Email: pcgcomcen@coastguard.gov.ph

The ReCAAP ISC advises the shipping industry and ships to enhance their situation awareness by referring to the *Guidance on Abduction of Crew in the Sulu-Celebes Seas and Waters off Eastern Sabah* produced by ReCAAP ISC in July 2019. The Guidance is available at [www.recaap.org](http://www.recaap.org).

**RECOMMENDATION**

The ReCAAP ISC urges ship master and crew to report all incidents of piracy and armed robbery against ships to the nearest coastal State and flag State, exercise vigilance and adopt relevant preventive measures taking reference from the *Regional Guide to Counter Piracy and Armed Robbery Against Ships in Asia*.
