Piracy and Armed Robbery Against Ships in Asia

OVERVIEW

During 3-9 Dec 19, four incidents of armed robbery against ships comprising two actual incidents\(^1\) and two attempted incidents\(^2\) in Asia were reported to ReCAAP ISC. The two actual incidents were CAT 4\(^3\) incidents: one occurred to a ship while underway in the Singapore Strait and the other incident occurred to a ship anchored at South Harbour Manila, Philippines. The two attempted incidents occurred at Visakhapatnam anchorage, India and off Pulau Sambu, Indonesia. The location of the incidents is shown in the map below; and detailed description is tabulated in the attachment.

\(^1\) Actual incidents are incidents where pirates/robbers boarded the ship; and regardless of whether they stole any items from the crew, or took away any secured or unsecured items found on board the ship

\(^2\) Attempted incidents are incidents where pirates/robbers tried but failed to board the ship.

\(^3\) CAT (Category) 4 incident is classified as 'least significant' in nature. Under this category, the perpetrators were not armed, and the crew not harmed.
Incident Outside Asia

The ReCAAP Contact Point (Hong Kong) reported to the ReCAAP ISC a piracy incident occurred to a Hong Kong registered tanker outside Asia on 3 Dec 19. The ship was underway off Bonny, Nigeria when 10 pirates armed with automatic rifles, guns, knives and axe boarded the ship and abducted 19 crew members from the ship. Seven crew were left on board the ship.

SITUATION OF ABDUCTION OF CREW IN THE SULU-CELEBES SEAS AND WATERS OFF EASTERN SABAH

Otherwise, ship masters and crew are strongly urged to exercise extra vigilance while transiting the area, and report immediately to the Operation Centres of Philippines and Eastern Sabah Security Command (ESSCOM) of Malaysia. The Guidance is available at [www.recaap.org](http://www.recaap.org).

**RECOMMENDATION**

The ReCAAP ISC urges ship master and crew to report all incidents of piracy and armed robbery against ships to the nearest coastal State and flag State, exercise vigilance and adopt relevant preventive measures taking reference from the *Regional Guide to Counter Piracy and Armed Robbery Against Ships in Asia.*
