SITUATION OF ABDUCTION OF CREW IN THE SULU-CELEBES SEAS AND WATERS OFF EASTERN SABAH

Re-Assessment and Downgrading of threat level

The efforts by the Philippine Government in Zamboanga, Sulu, and Tawi-Tawi through the conduct of continuous military operations led to the dismantling of the support base and neutralising the Abu Sayyaf Group (ASG) in Sulu archipelago. Against this backdrop, the Philippine Coast Guard (PCG), coordinated with other stakeholders and counterparts that have vital involvement in the maritime security of the Sulu-Celebes Seas, reviewed the threat situation and recommended further downgrading the threat level of 'Abduction of crew for ransom in the Sulu-Celebes Seas' from 'MODERATE' to '**MODERATE LOW**', which implies that '**Incidents are unlikely to occur due to perpetrators' perceived lack of capability to orchestrate an attack. Nevertheless, minimal damages are expected to the vessel and crew in case of an attack**'.

Update of ReCAAP ISC Advisory

- With downgrading of the threat on the 'Abduction of Crew for ransom in the Sulu-Celebes seas by the PCG, ReCAAP ISC have updated its Advisory for ships to "**exercise vigilance & adopt necessary preventive measures while transiting the area**".
- For ships transiting the area, the **ship masters and crew are strongly encouraged to exercise extra vigilance and report** all incidents immediately to the Operation Centres of the Philippines and Eastern Sabah Security Command (ESSCOM) of Malaysia. The **Contact Details** of the Operation Centres of the Philippines and ESSCOM of Malaysia are as shown in Picture 1.
