AREA OF CONCERN

With the incidents reported in SS, a total of 19 incidents were reported in SOMS since January 2026. The ReCAAP ISC advises ships to continue to intensify vigilance, maintain a sharp look-out while transiting areas of concern and report all incidents to the law enforcement agencies immediately. The Centre also urges the littoral States to increase patrols and enforcement in their respective waters, respond promptly to incidents, strengthen coordination and promote information sharing on incidents and the criminal groups involved to arrest the perpetrators..

SITUATION OF ABDUCTION OF CREW IN THE SULU-CELEBES SEAS AND WATERS OFF EASTERN SABAH

Situation Update

For a 6th consecutive year, there has been no report of incident of abduction of crew in the Sulu-Celebes Seas and waters off Eastern Sabah. The last incident occurred on 17 Jan 2020. In January 2025, the Philippine Coast Guard (PCG), coordinated with other stakeholders and counterparts further downgraded the threat level of 'Abduction of crew for ransom in the Sulu-Celebes Seas' to 'LOW', meaning 'No information or monitored activities suggest an impending attack; hence incidents are not expected to occur'.

ReCAAP ISC Advisory

The ReCAAP ISC, in its Advisory on 14 Feb 2025 advised ships to **"exercise vigilance when transiting the Sulu-Celebes Seas and report incidents to the Operation Centres of the Philippines and Eastern Sabah Security Command (ESSCOM)"**.

Also, to maintain communication with the relevant authorities when transiting the area. The **Contact Details** of the Operation Centres of the Philippines and ESSCOM of Malaysia are as shown in **Picture 1**.

¹ **CAT (Category) 3** incident is classified as "less significant" in nature. Under this category, the perpetrators are armed with knives/machetes or other items such as sticks or rods. Although the crew can be subjected to duress or threat during the incident, they are not harmed physically. In most CAT 3 cases, nothing is stolen. In cases where losses are reported, stores and engine spares are commonly stolen items.
² **CAT (Category) 4** incident is classified as "least significant" in nature. Under this category, the perpetrators are not armed, and the crew not injured.
³ **Armed Robbery Against Ships** is defined in accordance with the Code of Practice for the Investigation of Crimes of Piracy and Armed Robbery against Ships of the International Maritime Organisation (IMO) Assembly Resolution A.1025(26).
